Subject: Congratulations on Winning, AI-for-Educare track prize at Devopia Hackathon

Dear Team,

Congratulations on winning the **AI-for-Educare track prize at Devopia!** Your project **Learnify**, an AI-based learning platform, impressed everyone with its innovative solutions. With features like personalized learning sessions, text-to-comic converters, and accessibility enhancements, it showcased a creative approach to transforming K-12 education through AI.

The award highlights your creativity, team-work and understanding towards problem statement along with technical prowess. We are proud of your achievement and looking forward to more great work from your team.

Thanking You,
CSI-KJSCE.
